There is more catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease, and therefore, requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address, F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

### KITCHEN SHOWER.

On Wednesday evening last, Miss Lillian Honner and the Misses Amon, entertained at the latter's home in honor of Miss Minnie Rossback, an October bride, the occasion being a kitchen shower. About 30 guests were present. The large rooms were artistically decorated with masses of flowers and hearts. The drawing room in red sabras and geraniums, and red bells festooned the archway; the living room was in yellow dahlias and the dining room in pink carnations, ferns and pink and green hearts.

The guests went to supper listening to the strains of a wedding march and as the bride elect, passed through the archway a shower of rose petals, and good wishes fell about her.

The appropriate souvenirs were tiny kitchen utensils.
